

**FOOTBALL OPERATIONS
ANNUAL REPORT**

1980

CHAIRMAN'S REPORT

Last year's Annual Report told in glowing terms of the success experienced by the football operation during the preceding season. It was only a short time after that report was released that our world was turned upside down by the appointment of a receiver/manager to control the financial affairs of the licensed club.

There is no need to repeat the happenings of that time or to dwell on the resultant impact. Suffice to say that we, as the football operation, felt the full effects; particularly the freezing of our accounts at a time when we were in the process of making match payments for the 1979 season.

After a period of confusion the Belconnen Football Club Supporters Group was reformed with the intention of assisting the continued operation of the football section of the club; until such time as either the receiver was displaced or the future of the licensed club was otherwise clear. Little has changed over the year as far as the receivership is concerned and it seems likely to be some time before we know the likely outcome of the current situation.

Many players left the club before the start of the current season, some to live in other cities, some in genuine retirement and others because of the failure of the club to pay last years match payments. The financial situation did not allow any recruiting apart from players posted into Canberra for job or other reasons and obviously many of these were not prepared to become involved with a club with our sort of difficulties. These factors showed in our on field performance where wins were infrequent and the playing records of the previous season were beyond our capabilities.

Much work now remains to be done to ensure that the club is able to lift itself out of its present situation and in addition, that we can protect ourselves from similar situations in the future. The long term plan currently being considered by the Supporters Group will be critical to our attempts to make the Belconnen Football Club a force, not just in the ACTAFL, but also in the Belconnen area. The strength of the club lies in the great number of very talented and motivated junior footballers playing for the club, and this must be coupled with a strong and determined administration prepared and able to go about its task with only the best interests of the club at heart.

I offer my sincere appreciation to the people who remained and worked so hard for the club during the past season. By their loyalty they have provided the basis for the continued operation of this club in years to come. Particular thanks go to members of the Supporters Group Committee, to team officials, and to senior coaches; Robert White who undertook the job in less than desirable circumstances and although not having the opportunity to lead the club to success gave the job his all, Ken Tucker and Noel O'Neill.

A WORD FROM THE COACH....

Season 1980 was an up and down year for the team. We managed to push some of the teams that finished above us to close results early in the year, However, our form generally was inconsistent and as a team we failed to rise to any great heights.

The turmoil of the summer months may have affected attitudes towards the club, and players general determination to be dedicated to winning. This is understandable, but not necessarily acceptable and hopefully their confidence in the club has been restored to the point, where for 1981 they make a total commitment to success.

It is an unfortunate but true fact that in this world you get nothing for nothing, and lack of pre season effort by many of our key players left us behind the "eight ball" for most of the season. For 1981 to have any chance of improving on 1980 it is in this area that we must begin.

In many respects I am disappointed in the team performance over the year, as we were a better team than we ever gave ourselves a chance to prove. I am certain that given an improvement in mental attitude we will be a much more successful side in 1981.

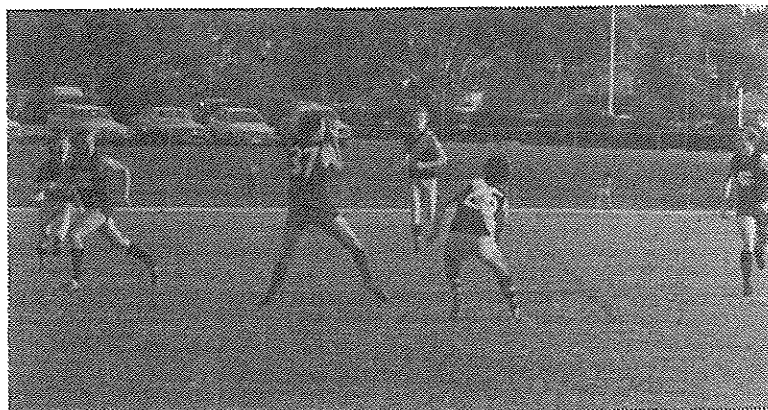

There are many people I cannot thank enough for the support they gave me during the year; to the players who stuck with training from start to finish and did as well as they could; to Manny for his efforts both during the week and on weekend; to the selection panel; John Simpson (Stats); Andy Anderson and Runner Jim Calvert - thanks for the effort.

Congratulations to Dave Bennett on winning the Best and Fairest and on Laurie Moloney on being runner up. Their performances this year were an inspiration to the team and deserving of the clubs' highest awards. It is important that we all realistically look at our individual effort this year and aim at improving next season.

I wish at this point to personally thank Bob Brown for his effort and support during the year. I am sure many people would not be aware of the amount of effort he has put in to make this club function and we are in his debt.

In concluding I feel confident that team morale will be higher in 1981 and improved dedication obvious and with this we will once again be on the winning trail.

From rags to riches and back again. How quickly we slid down the ladder. The problems of November, 1979 were certainly reflected in the Reserves this season. Understandably the overall drop in player strength had most impact on this grade. The normal wastage through retirement of experienced players was compounded by the need to promote many players to bolster the 1st grade team, and after all this is the primary function of the reserves. We did seem to suffer from a greater than usual flow of reserves players to the Monaro League and the number of younger players who made this move is of concern. On the plus side of the ledger were a number of players who returned to the club after a period away. It is to be hoped that some of those who were missing this year will likewise return next season.

Of those who played out the season in the reserves the general consensus of opinion seems to be that it was a worthwhile exercise that hopefully will lead to better things in the future. A number of players from this grade were rewarded with promotion to the 1sts and acquitted themselves well.

A vote of thanks is due to the Under 19 players who helped out during the year, particularly those who played two games on the one day to help the club; on some occasions this necessitated a fast trip from a ground in another part of the district. A number of Under 17 players also took the field as part of the reserves team on a few occasions and much credit goes to the 'kids' involved.

Support for this team from Manny Kargas, Brian Harry, Les Dohnt and others was always of the highest order and was greatly appreciated by players and coaches. Unfortunately a severe injury to coach Ken Tucker early in the season made his role as player and coach a very difficult one, however he was able to regain his fitness and in fact play a number of first grade matches. Ken has been transferred to Sydney in his employment since the end of the season and the best wishes of the club go with him.

3rd GRADE (UNDER 19)

In a competition where once again there was a general improvement in standard over the previous season the team won 6 games (excluding one match against Queanbeyan - who withdrew mid-season) and lost 8 to finish fifth and 8 points out of the final four. Except for the Grand Final the final series was a closely fought affair with Eastlake, the outstanding team of the season, winning the premiership.

Although the team possessed some considerable talents its overall performance was disappointing. In the vital games against the teams above it in the competition it was often in a position of advantage but failed under pressure, due to a loss of teamwork and concentration at crucial stages. The two basic reasons for this situation was the lack of match fitness of some of the players and the inability of the players to train together as a team. Although more players trained on a regular basis than in previous seasons, by making use of the several sessions that were available during weekdays, the fact that they were unable to train together always created problems on match days.

The final list of players in the 17-18 age group totalled twenty four, but there was no occasion when the numbers available would have ensured a full side without the loyalty of a group of Colts players (Under 17) who never failed in their support even when the prospect of two hard games over a weekend was not a particularly attractive one.

Despite the results there was a lot gained from the season. Five players gained First Grade experience and others showed, when they played in the second grade side, that they would have no trouble in achieving the standard required for open age competition. Team spirit was the best for some years and was helped to a very large extent by the time and effort that coach Noel O'Neill put into the side, despite his commitments as a first grade player.

Following the criticisms in the last annual report of lack of club interest in the team the Committee created the position of Under 19 Co-ordinator, who was responsible for general team administration and liaison with the Colts side. This has been followed during the season by two special training sessions for Under 14 to play Under 19 players, operated by the Club's Senior coaches and senior players and the planning of summer training for the same age group. Such forward steps can only be of benefit and encourage more junior players to come through to the open age team.

No team operates effectively without support. Jim Watt, despite his duties as President of the Junior Club, was available with advice and help throughout the season and shared the team management duties with Manny Kargas and Brian Harry (and on one occasion with his wife Doreen, who threw herself into her job with such enthusiasm that she finished up on the injured list). The team would not have functioned without their efforts.

JUNIORS

This year the Junior Club fielded 18 teams which was an increase of three over the previous year. Our total registrations were 382 boys, who represented our club in either Belconnen North, Belconnen South or our new off-shoot Belconnen East. The policy of dividing our boys on a geographical basis has proven to be the right method, with most games between our own sides usually resulting in very even games.

The close ties and co-operation with the Senior Club saw a stronger relationship develop this year and with our great crop of talent coming through the more senior of our junior teams, the future of Belconnen as a football power is assured, but we must ensure that their interest in the Senior Club is encouraged whether their future activities involve playing, administrative roles or coaching.

The Belconnen Juniors provided 22 A.C.T. representative boys this year, won both of their encounters against our two Victorian reciprocal teams, Murrumbena and Bennetswood, and won three Junior League premier-ships; Under 7, 8 and 15, with two runners-up in Under 9 Norths and 13 South.

The Junior Club is generally self-supporting in its financial operations, but our thanks go to the Seniors for their generous help in inviting us to participate in the 'pot of gold' effort once again. Thanks also to the Senior players who assisted in the school and club clinics with the junior players.

The 1980's have provided a new challenge for the Belconnen club as a whole, success does not come easily and is not everlasting. All areas of our total club must set their goals high and work towards this end - From our 382 young footballers we are with you all the way.

Jim Watt

President, BJNFC

THANK YOU

THANK YOU.....

It is always extremely difficult to ensure that all the people who have helped the club in one way or another over the year are remembered and thanked. Many people help out on particular occasions or when the need arises and they are co-opted by the organisers. If we have omitted to include your name, please don't think too badly of us, we thank you in our ignorance.

Thanks to Les Scotland for his assistance generally in his role of Director of Coaching for the ACTAFL, but in particular for his help in arranging for North Melbourne Assistant coach Ray Jordan to take senior training during his visit to Canberra.

Thank you to the Starkey family, Barry Johnston and Max Gibbs for their generous donations during the year. Thanks also to the Supporters who made donations towards our match awards throughout the season.

Thanks go to Crosscut Hair Salon for their donation of a weekly hair-do as part of our match awards and to Mick Burgess for his part in organising that award.

Thank you to the people who have contributed towards our season trophies. The names of all donors are not available at the time of the production of this report so we will not nominate individuals.

Thank you to the following organisations who made their premises available for some of our functions throughout the year; Lyneham Tennis Centre, Charnwood Tavern, A.J.'s Restaurant and the Canberra Workmen's Club. Thanks also to Doug Blair at the Ampol Garage at Weetangera for allowing us to store the catering caravan on his premises.

A particular thank you to the President and Executive of the ACTAFL for the support and assistance throughout the season and in particular at the end of last year when we weren't too sure of our future.

Thank you to Mrs. Betty Wigley for her assistance with the typing of committee minutes.

Thanks to Phil Hogan for his contribution of the photographs that appear in this report and have been used as part of our end of season trophies.

CLUB APPRECIATION

POT OF GOLD

Once again the Pot of Gold has been the backbone of our fundraising efforts for the year and appears to be heading for a most successful conclusion. The usual two names are again associated with this function as co-organisers; Ray Baguley and Ross Byrne and our sincere thanks are extended for their efforts.

Ticket sellers are critical to success with this operation and the club would like to put on record its appreciation of the great job done by the following people; Michael Price, Robert White, Geoff Coggins, David Bennett, Geoff Walker, Frank Southwell, Peter Jonas, Barry Wight, Gary Schmidt, Bob Brown, Laurie Moloney, Max Johnston, John Dess, Mick Kenny, Ross Byrne. These were the main sellers and our thanks is also extended to the many other people who contributed with sales on behalf of the club.

Sponsor and suppliers of prizes for the Pot of Gold are also very important and we would like to offer our thanks for the contributions made by the following; Ansett Airlines, Homecrafts The Plant Spot, MJB Landscapes, Dunlop Tyres, John David Menswear, Sportsworld, Geoff Emerton Sports and Cycles, Penfolds Wines, Tooth & Co., Keane and Kover Jewellers, Captain Greggs Restaurant, Esso Service Centre Dickson, L'Homme Hairstyles, Bells Drycleaning, Cinema Centre Group, Dickson Putt-Putt, AMF Canberra Bowl, and Esso Car Wash Braddon.

CATERING CARAVAN

Once again this activity was completed most successfully and assisted the club in achieving its budget for the year. Sincere thanks are extended to Don and Molly Johnston for the effort they put into organising the operation. Thanks also to the people who assisted Don and Molly on match days, Val Brewer, Lynn Moloney, Jane Juniper, Betty Wigley, Hellen Allison, Leslie Bennett, Debbie Kargas and her friends and a number of others who helped out from time to time.

OTHER FUND RAISING

There were many other fund raising functions conducted throughout the year, such as the Trip to Tasmania Raffle, Highest and Lowest Competition, Prawn Morning, Beef and Burgundy Night, Gentlemen only night, Games Night and our after the game functions at the Hibiscus in the early part of the year. Many people were involved in the running of the above events and our thanks go to the following people for their involvement and effort: Mrs. Judy Hynes, Peter Jonas, Noel O'Neill, John Dess, Ray Baguley, Ross Byrne, Les Dohnt, Rob Russell. Les Scotland, Geoff Walker, Tom Allison, Barry Wight, Robert Dawson, Steve Walding, Tim Grant, Neville Schroeter, Tom O'Neill, Max Gibbs, Jim Watt, Laurie Moloney, Reg Proctor.

MERIT AWARDS

This year the Football Committee has decided to introduce a club merit award. This award is intended to provide recognition of outstanding service to the club either through long and faithful service, through performance at an outstanding level, or both. Awards may be made at whatever rate is considered appropriate by the committee and the fact that four such awards have been made this year need not set a precedent for future committees. 1980 recipients of the Belconnen Football Club Merit Award are:

R. (Andy) ANDERSON. Andy and his performance over almost a decade and a half are well known to all present and past players of both the Belconnen and Turner Football Clubs. Andy received a measure of recognition this season with his appointment as the head trainer for ACTAFL. The assistance he has provided to the club in the past has often been of material help in keeping the training equipment cupboard stocked.

R. (Bags) BAGULEY. The fact that Bags has become Belconnen's longest serving player pales into insignificance in comparison with his service to the club in the fundraising arena. Reknowned in Canberra sporting circles as the instigator of the 'Pot of GOLD' type operation his contribution to the coffers of the Football Club committee this year has been instrumental in our present relatively healthy financial situation.

REG. PROCTOR. A Belconnen Football Club stalwart and 'Protector' of the Under 19's Reg has performed at a particularly intensive rate over the last 12 months. Not particularly known for his speed over the course of a telephone conversation Reg nevertheless is a tireless worker who can be relied upon to do the job.

JIM WATT. As if the duties of the position of President of the Junior Club are not enough, Jim has worked long and hard on behalf of the Senior Club, Under 19 Team Manager, Trainer, Boundary Umpire, Scoreboard Attendant, Junior Liaison Officer to the Senior Committee, stand-in Runner and Interchange Steward are some of the jobs that Jim has carried out with great efficiency and enthusiasm.

There have been a number of people who have performed extremely well on behalf of this club in the past. However, there always seems to be more jobs to be done. The club is in need of, not just officials, but workers and 'doers'. If you feel you are able to contribute in any area at all, don't wait for some one to ask you; we might not be aware of your interest, mention yourself to any club official and you will be assured of a job.
