Season 1981 has been a year of consolidation and re-grouping of our players and supporters, and although our position in the League ladder did advance one rung on our 1980 efforts, I feel that considerable growth was achieved in other areas of our activities.

The summer months were spent in formulating our plan for the future development of our Club, at both administration and player level, and although still lacking in manpower to fulfil our ideals, the basics of the plan were introduced and hopefully will start to show results in the near future.

The quantity and quality of youth in our senior side shows the Club is building up to become a real power in the near future. We must not lose sight of the fact that these 'boys' who took on all comers in senior ranks and acquitted themselves proudly when asked to play in their eligible age group, the Under 19s, defeated the previously undefeated and eventual premiers Weston Creek.

Obviously the fact that we do not have the financial backing of a licensed Club puts a great strain on raising funds to compete in a professional competition and maintain a level of performance to keep supporters and possible sponsors interested. We appreciate that most of our 'housekeeping' money comes from players and keen supporters via raffles etc., but our Pot of Gold this year has made great inroads to bring money into the Club from other sources and has set a standard in this type of fund raising venture that others will find hard to match.

This season also saw the advent of a very active Ladies Committee who, as well as raising a considerable amount of money, conducted many social functions which brought all supporters and players together. Our Properties Division produced some great promotional apparel and other items which have put the "Blue Boys" well in the forefront in this field.

In conclusion I would like to thank the coaches, selectors, managers, players, trainers, runners and supporters for their efforts over the year; our valuable sponsors for their contributions and all committee and sub-committee persons for your time, efforts and patience.

A WORD FROM THE COACH

COACH'S REPORT 1981 - 1ST GRADE

Another year gone without the desired result, however this can be attributed to a number of reasons, notwithstanding the chaotic start to the season.

Problems to be faced were the psychological effect of the change of coaches and being unprepared due to the lack of consistent pre-season training.

After the hectic start it took some time to settle down but we then set about a gradual improvement.

Our year was highlighted by the bleeding of nine U19's who with further development will stand us in good stead in the future. These players should be aware of the extra effort needed to bring their play to the desired level. In turn the enthusiasm of the younger brigade helped improve the attitude of the senior players.

There are many people who I wish to thank for their support and assistance during the year. They are in no order of priority; the match committee (B. Sheridan and B. Falconer), Bryan and Noel for their coaching assistance, the senior committee (including the ladies and finance committees), all the managers and training staff (a special mention to the 'Penguin', Smithy and Max - we know how cold some of the nights were), Dr. Fricker, time keepers (Reg), Dave Rannard and his staff for their co-operation and patience, Max and Neville on recruitment, our weekly award donors; Ben Lane, Rosco, J. Calvett and G. Pryor for their assistance at training, our runners (Thanks Jim from the 1sts) and lastly my family for their support.

I would like to make special mention of the support not only I received from the players this year but the manner in which they have supported the Club both on and off the field.

We possess enthusiasm, that is proven, but it is noticeable that we are lacking players in several key positions. Enthusiasm alone is not enough to defeat the top sides but with the infusion of those players we would be a highly competitive side. The future is in our own hands and the manner in which we approach matters in the next few months will determine whether we improve or not.

Hopefully we will take the right track and success will be ours.

L.C. MOLDNEY

1ST GRADE COACH

2ND GRADE

The 1981 season must be considered as being successful for the second grade side. To play the eventual premiers in the preliminary final after finishing almost wooden spooners the previous year is a commendable effort and is indicative of the improvement shown by the boys this year. The 1982 seconds must now, as indeed the 1982 seniors, consolidate and build on the efforts made this season so that we can achieve that ultimate success on grand final day.

I was particularly pleased by the Club spirit that existed around the B.F.C. this year. This was most aptly demonstrated by the very high percentage of firsts players who came to support the seconds in the finals. This type of spirit often makes the difference between two fairly well matched teams in pressure situations.

Special congratulations go to Frank Southwell for his fine personal performance in winning the League's second grade best and fairest medal. It only goes to prove that you don't need to over-train champions.

My congratulations and thanks also go to the skipper, Rob Goddard, for his fine leadership throughout the year and it was a worthy reward for him to win the Club's second grade best and fairest award.

My thanks also go to Laurie Moloney and Brian Falconer whom I enjoyed working with over the year and to my runner, Neville Gill, Manager and ruckman, Mex Johnston and trainers, Andy Anderson and Garry Schaidt.

BELCONNEN AUSTRALIAN FOOTBALL SUPPORTERS CLUB (INC)

3RD GRADE (UNDER 19S)

In a competition that maintained the consistent good standard of the last four seasons the team won seven games and lost eleven (including one walk-over given) to finish fifth and twelve points out of the final four. Weston Creek, the form team of the year, won the Grand final easily from Manuka who once again had come through the finals from fourth position.

It is difficult to assess the performance of the team properly as it was not possible to field the same side two matches in a row. At its strongest it inflicted on Weston Creek its only defeat of the season and beat Manuka also; at its weakest it lost to teams below it.

Once again the main problem was a lack of numbers. Although recruiting was successful, it failed to fill the gap left by the very small inflow from the 1980 colts team. In the last three years, although very few of the available players have failed to take the step from Under 17 to Under 19 football, there has been a considerable loss of juniors in that age group who have moved away from Canberra for various reasons.

The team had a total list of eighteen players including three who achieved a regular place in the First Grade side. Under these circumstances it says much for the players enthusiasm and that of their coach, Noel O'Neill, that they achieved the results that they did. In this they were ably supported by two Colts sides whose players never failed to undertake a second game in one weekend whenever they were asked.

The most pleasing result of the season was that eight players achieved First Grade selection either on a regular basis or for experience. This underlines the need to maintain a viable Third Grade side as a stepping stone for the crop of good youngsters who currently are coming through the junior grades.

In a difficult season such as this, survival depended on an efficient back-up team. Despite his other duties, Jim Watt managed the team, organised top replacements when he was unavailable (thanks Max and 'Penguin'), produced extra players when they were most needed and generally acted as the backstop in moments of tribulation; Gary Schmidt, as trainer, provided V.I.P. treatment despite the unattractiveness of early winter mornings; and Pat Brazel, Colts (Div 1) Manager, made life a lot less difficult with his active support in obtaining Colts players. Thank you gentlemen.

## REPORT FROM CHAIRMAN OF SELECTORS

This year's selectors for both first and reserve grades were Laurie Moloney, Bryan Sheridan and myself, Brian Falconer. We adopted a primary policy of relying upon under age players to fill vacancies in the first grade team which saw juniors Peter Bradley, Nigel Brennan, Haydon Daw, Dean Falconer, David Foster, John Lawson, Andy Foster, Gary Watt and Greg Watt gain valuable experience.

In hand with that policy we also saw the need to acknowledge notable performances by the reserve grade players which meant that Mick Burgess, Tony Cibiras, Ian Currie, Mick Dwyer, Rowan Falconer, Robert Goddard, Jack Juniper, Colin Milburn and Peter Wren were given opportunities, notwithstanding that some of the opportunities were limited ones.

New senior players in Peter Buchan, Dennis Hopkins and Mick Pledge proved to be valuable additions to the Club's senior playing strength.

The first grade team's performances improved steadily as the season progressed and it became a foregone conclusion that a team higher on the ladder would soon fall to us. That occurred mid-season when Eastlake were beaten by 31 points which proved to be the high point of the season for the senior team. That win was followed immediately by two more; a 99 point win against West Canberra and a 78 point win against Sutherland.

However, the team appeared then to lose its carefully developed mental approach to winning and its performances slumped just when more wins were needed to keep alive hopes for the fourth position. It was disappointing to taper off like that and players must toughen both their attitude towards losing games and their approach to playing the top teams.

In contract, the reserve grade team performed steadily and to the best of their ability. To have finished where they did seemed a fair result. The team was ably led and well served in all other aspects by Robert Goddard who topped the poll for the Club's best and fairest award. The umpires had other ideas and Frank Southwell struck a high note for the Club by winning the Tom Wharton Medal. Congratulations to both Robert and Frank.

Congratulations must also go to Robert White for winning the Club's best and fairest award for the seniors and for gaining most votes for Belconnen in the Mulrooney voting. He will be sorely missed next year unless a player of exceptional quality is found to replace him.

We are grateful for the valuable support received from our donors and for Dave's help behind the bar in staging the after-match presentations. We believe that the 6.30 p.m. gathering back at the Clubhouse for the awards is central to development of team spirit.

As chairman of selectors, I pay great credit to both Laurie and Bryan for their skilful, enthusiastic and dedicated handling of difficult jobs. On many occasions, and only they would know them all, they went beyond the call of duty. It was my pleasure to work with them which goes also for the many others needed to run the show particularly the runners, the managers, the trainers and the ladies' committee.

BFC PROMOTION DIRECTORS REPORT 1981

1981 is the first year that the Club has appointed a member of the committee to direct promotional activities. Although the year could be considered a start in this field, the surface of promotion has hardly been scratched. Many new areas have yet to be broached and 1982 and future years should see a widening of promotional activities: aimed at publicising our Club throughout the Belconnen area and hopefully the whole of Canberra.

In the current era of high activity in many sports and a growing professionalism in the various football codes in particular it is becoming increasingly important that we have the confidence to promote and advertise ourselves to ensure the maximum support for all aspects of the Club's activities.

Most members will be aware of some of the areas covered by promotions this year due to the proliferation of navy blue clothing articles being worn by players and supporters. Items sold over the season included: 'T' Shirts, Windcheaters, Golf Shirts, Pullovers, Weather Jackets, Cloth Badges, Football Carry Bags. In addition, Club Car Stickers and Scribble Pads were produced and distributed to senior and junior members at no cost.

Although there has been little or no direct profit to the Club initially, the longer term profits should be substantial. A display cabinet for promotion items should be mounted in the Club by the time of this report.

SPONSORSHIP: A number of people and businesses have been approached to become major or minor sponsors of the Club and although results in this area have been slow, it is hoped that more of this support will be evident in 1982. However, there is an old saying that would seem to apply in this case 'Success brings Success'.

MISS BELCONNEN: One of our most successful promotional activities was the selection of Miss Stephanie Cattenach as Miss Belconnen 1981. Although not successful in her attempt to become Miss ACTAFL Stephanie represented the Club extremely well in her position and has set a very high standard for future titleholders. It is planned to build this promotion up within the Club in future seasons and hopefully announce the winner at our own Club ball.

SCHOOL CLINICS: Activities in this most important area were severely restricted by the extremely wet winter, particularly towards the end of the second school term. Clinics were run at a number of primary schools including Kaleen North, Macquarie, Hawker, St. Monica's, but many more were cancelled due to bad weather and wet grounds. A number of players assisted in these clinics and were very well received by the kids. Robert White, Bill Quade, Nigel Brennan, Tony Cibiras, Peter Wren, Wes Maloney, Kevin Domechke, Chris Brown, Max Gibbs, all assisted with clinics and their help is much appreciated.

BELCONNEN AUSTRALIAN FOOTBALL SUPPORTERS CLUB (INC)

NEWSLETTER: A Club 'Newsheet' was produced for 5 editions but lapsed for a variety of reasons. Lack of interesting Club news (or more accurately informants), lack of time, and little response from players were some of the reasons for its failure. Perhaps in 1982 we may be able to find a Club member to revamp the newsletter and run it more successfully than this year.

A number of people and businesses provided support and assistance in the promotion area during 1981. Thank you to Noel Short and Wayne Campbell of Short Sports, Terry Ward of Impress Printers, Jamie Bell-Towers of Eric Andersons Belconnen, Max Gibbs (G. & H Fixers), Mrs. D. Daw, Mrs. Kelly, and all who supported the promotion of the Belconnen Football Club by purchasing the various articles on sale.

L A D I E S C O M M I T T E E R E P O R T

A group of 22 women met at Meryl Dawson's home on the 13th January, 1981 to form a Ladies Committee within the Belconnen Football Club.

The main aim of the Ladies Committee was to provide women associated with the Club with their own area of interest and in so doing to help develop 'Club spirit' and provide further support for the Club through fundraising and the organising of social activities.

Considering the number and range of activities that were organised during the year by the Ladies Committee, the support that those activities were given and the several thousand dollars that were raised, the Committee believes that its efforts were well worthwhile.

A small core of women met on the first Monday of each month amongst other things to plan the various activities, which included monthly cake stalls at Belconnen Mall, "manning" the caravan at home games, a pie drive, an Amway party, a fashion parade, dances at the Club and progressive dinners with variable routes but the same ultimate destination.

The Committee is also currently selling 33 dozen bottles of Premiership Port and has planned a Christmas Party at Lake Ginninderra. The Committee is now deciding in what areas the money it has raised during the year should be spent.

The Ladies Committee congratulates Stephanie Cattanech, the first Miss Belconnen, for representing the Club so well in the Miss ACTAFL Competition.

Thank you to all those who were involved with the Committee and its activities during the year.

JUNIORS

The 1981 season saw the Juniors enter an extra 5 teams to take the number to 23. The Under 15s were the only age group where we fielded only one team and our numbers there were strong. We had four teams in the Under 10s and three in each of the Under 9s and Under 11s with two in each of the other age groups. Although our 2nd division Colts struggled for numbers it has laid the foundations for what should be two very strong Colts teams for 1982 and prospects of an end to the necessity of playing Colts in the Under 19s by 1984.

Belconnen was the dominant force in the older age groups with premierships in Under 10s, Under 13s, Under 14s and Under 15s. The years of effort and encouragement by coaches and club officials is now bearing fruit and gives clubs with the 'preiership at all costs' attitude something to think about. We also had runners-up in Under 9s, Under 10s and 3rd in Colts, and division 2 of Under 11s and Under 14s. The under 8s and Under 7s, where there are no finals, both finished second on the ladder. In what must be a record Belconnen fielded both teams in the Under 10 division 1 Grand Final.

The Club provided 23 representative players and this again demonstrates the strength coming through the Junior ranks. Those achieving representative honours were -

Teal Cup (Under 17)	-	Mike Brazel, Chris Brown, Dean Falconer, Stephen Pyke and Darrel Scotland
Shell Cup (Under 15)	-	David Girvan, John Hynes, Jamie Pyke, Andrew Smith, Jamie Smith and Tony Stubbs
Under 13	-	Brett Allison, Warren McIlwain, Donald Pyke, Brendan Scotland and Chris Stubbs
Schoolboys (Under 16)	-	Mike Brazel (capt), Darren Browning, Shane Jones, Mark Killer, Darrel Scotland, Craig Watt and Stuart White.

Notable individual performances were Dean Falconer holding a regular place with the 1sts and John Hynes 3rd year in the Shell cup team.

Season 1982 will be a most significant year in the history of the Club as the Juniors will be entering two clubs in the Junior competition. Each will have full Club status in the Junior League and will be run by full committees as before, except for a Treasurer. An overseeing and co-ordering role will be handled by a Board of Directors which will handle the financial and publicity role in this formative stage.

CLUB APPRECIATION

POT OF GOLD

The Pot of Gold has once again provided the backbone to our fund raising program. It is unthinkable to imagine the effects a Pot of Gold failure would have on the overall fund raising program, even a moderate success as occurred in 1980 affects our finances to a serious degree.

The Pot of Gold committee consisting of Mike Price, Ray Baguley, Ross Byrne and Jack Juniper began meeting in February and the tickets went on sale in early July. As was the case in previous years the Pot of Gold is still in progress and will be concluded in late November where a social gathering of ticket holders will witness the drawing of final prizes.

Many successful innovations such as a special cash bonus prize, free giveaways, and support groups selling tickets on commission were introduced to this Pot of Gold. It is hoped that along with our marketing we can improve on these innovations even further in 1982.

The 1981 Pot of Gold has without doubt been the Club's most impressive promotion to date and the jingle adopted this year "We were the first and we are still the best" is certainly true.

The Club would like to extend its appreciation to those who assisted with the prizes, particularly the following suppliers:

MERIT AWARDS

Last year the Football Committee decided to introduce a Club merit award. This award is intended to provide recognition of outstanding service to the Club either through long and faithful service, through performance at an outstanding level, or both. Awards may be made at whatever rate is considered appropriate by the Committee and the fact that four such awards have been made this year need not set a precedent for future committees. 1981 recipients of the Belconnen Football Club Merit Award are:

Max Johnston - Fresh from his most recent retirement as a player (again) Max offered his services as Second Grade Team Manager, but found he could not curb his love for the game, donned his boots, and turned in another great season on and off the field.

Michael Price - Mike took on the important task of Pot of Gold Co-Ordinator and produced a product of great quality and value, which will bring our Club great credibility in the fund raising scene - along the way Mike also brought up his 100th game with the Club.

Jim Watt - Jim's second merit award and justly deserved, although work commitments have demanded much of his time this year, he has never faltered in all of the jobs he does for both the senior and junior Clubs.

Robert White - On top of his Best and Fairest and Most Courageous awards this season, Robert is a most worthy recipient of a merit award. His contribution to the Club over the years whether as a player or coach has stamped him as one of the greatest assets the Club has every had.
