# President's Report

If a week is a long time in football, then 12 months is an eternity. The comparisons for this club between 2011 and 2012 are chalk and cheese as we enjoyed stability in our key personnel, and enjoyed success throughout the season both on and off the field.

On field we played finals in 4 of our 6 senior grades, made grand finals in 3 grades and won a premiership in the U18 grade. We knew our NEAFL side was going to be young and my only expectation for that side was that we would develop our younger players and improve overall. Under the guidance of first year coach Matt Lokan and his coaching staff the side definitely achieved this. The success of the NEAFL side through the 2<sup>nd</sup> half of the year means we enter 2013 with plenty of momentum as our current group continues to gel and learns to win games together. We enjoyed a successful night at the League awards night this year with Shane Harris taking home the Mulrooney Medal for the NEAFL Eastern Conference best and fairest player. Congratulations also to Elise O'Dea who won the Women's league best and fairest, and Division 1 coach Damian Carmichael who won the AFL Canberra coach of the year award.

Off field the club went from strength to strength. Our administration and operations were capably managed by General Manager Cam Campbell. Our media and communications continued to improve with a new website, regular newsletters and social media eagerly followed. Our Functions & Events coordinator, Matt Hammond, continued to raise the bar for our corporate days. Our Kick In 4 Kippax raceday was a huge success and once again our Long Lunch proved to be a hit as the feature event on our calendar.

In the community we have supported multiple Westfield charity collection days as well as winning the largest club/group participating in the Ben Donohoe Fun Run Walk charity event. Our recruitment committee of Rod Cowie, Brock Weston, Ray Baguley and Cam Campbell ensured we added some talent to our list this season. All new players to the club acquitted themselves well and showed why we were chasing them. Looking ahead the committee are once again working hard as we aim to add 1 or 2 top talents to our developing local talent.

This year the committee has put considerable time into developing a strategic plan for the club. Though still in development this plan is focused on providing opportunities for NEAFL success at the top end, but also opportunities for participation and community engagement for all Belconnen Magpies people. A cornerstone of this plan is our values, which are listed below. These will be the cornerstone of our decisions and the way we do business going forward.

**Responsibility** – Everyone who is a part of this Club has a responsibility towards it.

**Honesty** – With yourself and others.

**Inclusive** – Together we are better.

**Respect** – For ourselves, the Club, the game and the community.

**Commitment** – Uphold our standards.

**Development** – We are farmers not hunters.

I wanted to thank everyone involved in our Kick In 4 Kippax campaign which has raised over \$140,000 for our new facility at Kippax. This is an extraordinary result and demonstrates that there are a lot of people who passionately support this club and who are prepared to "kick in" when required. The development at Kippax has continued to progress under the guidance of Bubba, who has worked wonders with the ACT Government, and various contractors to ensure we will have a unique facility that will be the cornerstone of this club for the next 20 years. Throughout various stages Bubba has been well supported by numerous people who are too many to name, but special mention must go to Paul Netting and Lyall Camp who have been heavily involved in the finishing touches. At this stage we are hoping to host the ACT U23 v GWS game at Kippax early next year as the community opening of the ground. We are then planning to host Queanbeyan in Round 1 as we open "The Nest" to our Belconnen Magpies community. We are planning this to be a big day with the 10 year reunion for our 2003 First Grade and Reserve Grade Premiership sides. Please ensure you are there to be a part of that day.

Once again I must thank the Magpies Sports Club for their continued financial support. They made a significant contribution to the Kippax redevelopment

# President's Report cont.

which enabled us to get the project off the ground. The Sports Club is experiencing tough times, as is the whole club industry, as state and federal governments continue to legislate and tax it's gaming revenues. We must continue to support the club and encourage our friends and families to do so as well.

Thank you to all club sponsors who continue to support us because they believe in our program. I know the economic environment is tough and every dollar is harder and harder to earn. As a club we must ensure we continue to support these businesses, as we simply would not be able to put players on the field without their contributions. To Paul Netting and Matt Hammond who work so hard to find and support our sponsors, thanks also to you.

To all the players, coaches, managers, trainers, time keepers, water carriers, Mum's, Dad's, supporters and partners thank you once again for your support this year. You are the Belconnen Magpies Community that we talk about and each of you bring something unique that makes this such an enjoyable club to be a part of.

To those who are leaving the club this year I wish you well on your travels and thank you for your contribution to the Club. No one really leaves the Belconnen Magpies and I know each of you will be around again down the track. A special mention must go to club legend Paul Raadts who hangs up the boots after 220 first grade games, including 4 senior Premierships. Paul has been an exciting player to watch and an even better team mate. His on field presence will be greatly missed, but I hope his off field presence will dwarf that.

Also our Event Management, Marketing & Sponsorship coordinator Matt Hammond has already departed for an extended holiday and then relocation to Melbourne. "Hammo" will be missed both on and off the field as he took on this newly created role and has put his unique stamp on it. I don't know how we will find another dancing Magpie who can shuffle like that.

To current board members I want to thank you once again for your time, hard work and commitment to the club. To the club executive of Cam Campbell, Scott Reid, Jo Foster and Peter Bradley thank you also for going above and beyond. No one knows the work each of you do behind the scenes but I greatly appreciate the support each of you have given me this year.

To my wife Wendy and kids Jack, Grace and Flynn I love you all and thank you for the support you give me and the club.

To anyone thinking about getting involved, but are worried that you don't "have the time". Please take a look at those who are rolling up their sleeves and getting involved. All of us have young families, work commitments and other priorities. However this club doesn't take time away from the things you love – it gives you time toward the things you love.

I look forward to seeing you at *The Nest* in 2013.

# Treasurer's Report

Every year is a challenge to manage the Club's budget and this year was no exception. We set the budget for the year coming and try to manage the ups and downs throughout the year. This year we set the budget for the Club to run at a loss of \$32,000. Why run at a loss I hear you ask? Over several years the Club has accumulated profits known as retained earnings. We decided to reduce the level of retained earnings to a more sensible level.

Comparing this year's budget to last year's, there were significant increases in the player and coaching budget, while we had a drop off in sponsorship revenue. This was mostly due to our sponsors generously contributing to the Kick in for Kippax Fund and not being able to commit to the same level with sponsorship. We expect however that sponsorship will recover next year.

We were happy with the outcomes of the inaugural Magpies race day and the Long Lunch functions this year, expertly run by Cam, Hammo and Trina. The golf day was in my opinion slightly disappointing and we will probably move it to October next year and start it at midday rather than 7am.

I'm looking forward to watching the Club play at Kippax Oval next year. The Kick in for Kippax fund has raised \$143,000 from supporters over the last year or so, which is an enormous amount to raise. We have targeted numerous things to spend this money on including a fantastic scoreboard, coaches boxes, extra seating, a shed, and a canteen fit-out to name a few.

Next year the grant from the Sports Club is reducing by \$75,000, which is a significant amount as you can appreciate. Trade at the Sports Club has levelled off over the last few years but the footy grant has just kept increasing over the same period of time. The decision to reduce the grant to a more sustainable level is a sound business decision and the Club fully supports it.

Obviously, the decision to reduce the grant is going to have a significant impact on next year's budget.

Certainly not an insurmountable challenge and I am confident we will manage the budget well. We are going to have to cut back in some areas, and raise more revenue from functions, sponsorship, raffles, rego fees etc. To maintain and increase our competitiveness in the NEAFL competition we are committed to keeping the player and coaching budget the same as this year.

We are a values driven club and one of our values is for everyone to be responsible for making this Club a success. So if that means doing more around the club or offering your services please think about doing so. There is going to be more things to do now we have our own home ground and it will only be a success if we get more people involved.

I would like to thank Daryl for his outstanding job as President, a tireless worker, and someone who continually makes sacrifices for this Club. And he is not alone, all our volunteers do a magnificent job and I would also like to thank them. Finally thanks to Cam, Hammo and Sav who have done a terrific job this year.

# General Manager's Report

Season 2012 has been a huge leap forward for the Club. Over the past 2 years I have been involved I've seen dramatic changes and improvements. With that being said there is a lot more hard work ahead for all stakeholders with the club playing its home games at "The Nest" next season. 2013 is going to be a massive year for all involved and I'm thankful that I get to be a part of this era with the Belconnen Magpies Football Club.

I would firstly like to take this opportunity to thank the board members, our executive team of Scott Reid, Peter Bradley & Jo Foster and in particular our President Daryl Read who is working tirelessly behind the scenes to ensure that this football club returns to its rightful spot as one of the powerhouse clubs in the NEAFL competition. I have no doubt that we as a football club are heading in this direction and we have the privilege of being guided there by such an intelligent, strong & passionate person in Daryl.

Each person on the committee plays specific roles and I would like to thank them all individually for their assistance, Paul Netting – Sponsorship, Rod Cowie & David Bennett-Football Executive, Katrina Gallway - Functions, Liam Early - DAC/ Tribunal, Rory Markham & Michael Talevich – Social football & Danni Green – Sports Club. Thanks also to Danni's partner Allan Green for assisting in 2012 as a player liaison officer.

Thankyou to my family for their overwhelming support in my role and for their commitment to both myself and the football club over the past 2 years. We are all looking forward to seeing more families at games in 2013 with a number of players expecting babies next year. Canberra has become our home and the football club has become our family and we look forward to what lays ahead.

Our NEAFL sides 2012 on field performance definitely improved on 2011 under the guidance of new NEAFL coach Matthew Lokan. The NEAFL side won 6 games this season and proved in the later stages that they had the ability to play a great style of footy and win against quality opposition. This season we had a number of quality recruits to our senior group and it

was fantastic to see Shane Harris win our Club B & F and the Mulrooney Medal along with Matthew Sharp who won our Club Runner Up B & F and was also awarded with the player's player award. These players plus many more along with our coach Matthew Lokan have been fantastic additions to our football club and the Senior playing group.

The Division 1 side had a stellar season under Damian Carmichael but unfortunately fell just short of premiership success going down in the Grand Final. This success showed the depth that was in our senior list, we have definitely added to this depth in the off season.

The Rising Stars lead by Brendan Read took out the Rising Stars premiership in one of the greatest grand finals I've had the privilege of watching, the team came from no where in the final quarter to take the win and go back to back premiers.

Our Division 2 side participated in the Preliminary final this season but were unfortunately knocked out whilst our Division 3 side made it to the Grand Final but fell just short also. Our Women's side needed to win their final game to progress through into the grand final but after an admirable effort they went down by a couple of goals.

Thankyou to all the head coaches of these teams, Matthew Lokan, Damian Carmichael, Brendan Read, Jacob Mennen, Jeremy Walker & Paul McCaskill. Well done to Damian on being awarded the AFL Canberra coach of the year. Each of you have been fantastic to work with this year and its great to see the majority of you all staying involved as coaches or in some capacity.

Thankyou also to the assistants of each grade Brock Weston, John Harper, Rod Cowie, Rob Lokan, Matthew Byatt, Tony Stubbs, Liam Early, Tom Alexander, Colin Mues, Tom Fisher, Michael Coate and Rory Markham. It's a hard task finding assistants to be involved so thankyou for all your efforts.

As mentioned time and time again, football clubs would not work without the continued support of all volunteers and we have many fantastic volunteers involved with our club. I won't mention them all however a special mention to Lyall & Cheryl Camp for their work, Lyall has played a number of roles since retiring from his job none more important than overseeing the Kippax Redevelopment where he has

# General Manager's Report cont.

proven to be an asset. Thankyou also to the Kippax planning group that we formed in 2011 who have assisted in all aspects of the Kippax Redevelopment I over the last 2 years including the KI4K program that has raised close to \$150k.

Thankyou once again to Terri Jamieson for her work as the trainers co-ordinator and her work with this annual report and other administrative tasks. Finally, I would like to take this time to thank the players and in that assist whenever they are called upon for charity work, fundraisers or working bees. You all put in huge hours each week to train & play but to go above and beyond to assist behind the scenes whenever we need it is amazing. Everyone's efforts are greatly appreciated and whether you put in 1 hour or 100 hours your help makes this club run as smoothly as it does.

While talking about volunteers I'd like to thank our football staff from 2012 in Stephen Coate, Matthew Hammond & Ryan Gibson. You are paid employees of the club but your efforts to go above and beyond in every aspect of your job is commendable and in reality a lot of the time you put in is outside of the regular working day. Working in the sporting industry isn't the highest paid job but what you get is the ability to work with something that you love each and every day. I know at times it feels like you eat, breathe & live football but thankyou for all the extra things that you do to assist myself, the coaches, the players and the club!

Unfortunately at the end of this year we said goodbye to Matthew and Ryan but they have both set the standard for their roles. Matt has refined our functions, sourced new sponsors and taken our marketing to a new level. In 2013 we welcome Aidan Watt into the trainee position, Aidan has previously done some work experience with us and I'm sure he will continue on with the quality work that Ryan produced. Matt's position is currently not filled and we will re advertise the position in 2013. Stephen will continue in his role in 2013 after he takes a brief break overseas during the Christmas period, Stephen has taken on a number of new roles since the departure of Matt and is showing huge potential and he will grow and evolve in his role in 2013.

Thankyou to the Sports Club and in particular Jon Burrows and Ray Baguley for their continued support, they are both a wealth of knowledge and their experience and assistance is greatly appreciated.

Welcome to Kyle Bradley who has taken on a new position with the Sports Club group, he brings with him great experience and is keen to have a large involvement in the football club.

The 2013 season is nearing quickly, pre season training has been underway for weeks now and its evident to all that with hard work and commitment we can return our football club to the powerhouse it once was.

There are no excuses for 2013, our NEAFL side needs to be playing finals footy and anything else will be a disappointment. The majority of our senior list from 2012 has re committed and we have recruited well in the off season. We look forward to the return of a number of key players including brothers Lexie and James Bennett, Chris York and Brock Weston. There is a great feeling around the club at the moment and the vibe at training is infectious!

I hope that you will be part of something great in 2013, see you at the Nest!

# Junior Football Operations Report

2012 has been a very successful year for Junior Development it has seen another increase in player numbers, the club roll out a variety of new initiatives and the first amalgamation at the Under 14s level. For me personally, I have thoroughly enjoyed getting down to junior trainings and games and watching kids develop both the on field and off field skills. I really look forward to what 2013 has to offer junior football.

## Junior Football

Between both junior clubs this season we were able to fill sides in all age groups in all divisions which is a fantastic achievement. All credit should be given to both junior clubs and their committees. Special mentions must go to Steve Porter & Jamie Browne's U14's division 1 side that made the grand final, it's a wonderful effort which shouldn't be underestimated. Congratulations to Greg Cassimatis on winning the AFL Canberra Joe McDonald Volunteer of the year award. You have been around a fair while now and have been a great help to me not only in my role now, but when I was a junior coming through - you are a great asset for junior football.

A special mention must go out to all volunteers from both clubs, quite simply games of footy wouldn't happen if it wasn't for all volunteers playing there part, so thank you. To both junior clubs, thank you for having the senior players down to your training throughout the year, the boys thoroughly enjoy coming down to help out and will be looking to do more of it next season.

## Under 14's & Under 16s

2012 saw the Magpies Juniors and Belconnen Cats amalgamate for the first time from Under 14s through to Under 16s. The Junior Strategic Group thought this was a step we needed to take to ensure all players got the development best suited to them. The Under 14s saw three teams take to the field each week while the Under 16s saw two. I know it's not easy for players to come together from two different clubs so to all players from 14s - 16s well done you should be proud of your efforts. I would also like to acknowledge all parents for embracing the amalgamation concept if it wasn't for you taking the boys to and from training and games this idea would never have worked so thank you.

## School Participation

In 2012, the Belconnen Magpies Football Club along with AFL NSW/ACT were able to conduct AFL clinics in 18 out of 23 Primary Schools, with 5 of the 18 schools booking in clinics multiple days a week which meant AFL was introduced to over 3500 children in the Belconnen region. I would like to thank Cameron James and staff from AFL NSW/ACT, without their assistance we would not of been able to have had such an amazing impact in the Belconnen area. I would also like to thank all School Ambassadors for their assistance throughout the year it's fantastic to see so many passionate AFL people in our schools.

## Development

It was another fantastic year in junior development for the Belconnen Cats, Magpies Juniors & the Belconnen region as a whole. Following on from the success of last year's Term 2 After School Auskick we again ran centres out of St Michaels primary and Latham primary having over 35 participants across both centres. We, along with AFL NSW/ACT, will also be running a Term 4 Auskick super centre at UC ovals - so watch out for that.

We also rolled out two very successful school holiday programs at Kingsford Smith School one being held over the April School Holiday period which was attended by over 50 participants the other was held over the October School Holiday period and was again attended by over 50 participants. The children were exposed to a variety of different sports including AFL, Soccer, Touch Football & Basketball. We thoroughly enjoy running the school holiday programs and think there will be a lot of future players to come out of them. Both programs will be back in 2013, so please keep a look out.

The Belconnen Academy will be back again in mid to late November the program will be split in two this year with the 11 - 13 year olds doing a 5 week program pre-Christmas and the 14 - 17 year olds doing a 5 week program post-Christmas. The Belconnen Academy is aimed at exposing players who have missed out on representative sides to the best coaching available and to help fast track their development, so please again look out for this program.

In 2012, we also rolled out the Belconnen Magpies Coaches Forum this event was held at the AIS and was targeted at coaches from both the junior clubs and the senior club. The initiative was first thought of in 2011 but never came to fruition, the Junior Strategic Group then tabled it again and was aimed to give coaches the chance to learn new skills so they could apply them to their own club/team. The night was very well received

# Junior Football Operations Report cont.

by all and was attended by over 25 coaches it had special guest presenters such as Steve Mahar, Matthew Lokan, John Harper, Jason Saddington, Darren Denneman and Tadhg Kennelly.

## Thank you

I would like to thank Cameron Campbell and the BMFC board for giving me the opportunity to work in Junior Development for our great club. It's a job that I don't take for granted and am very lucky to have. I will be back in 2013 to again try and increase the number of kids playing footy for the Belconnen Magpies. A big thank you to Scott Reid for helping guide me through this role. I know you're the busiest man in Australia and I really appreciate the time you take to help me out wherever it's needed.

A final thank you to the Junior Strategic Group your passion for junior football and growing the game in our area is clear and I look forward to working with you all again in 2013.

**Stephen Coate**

# Event Management, Marketing and Sponsorship Report

2012 was a massive year for the football club, it was my second year in the role and I feel that I was given the opportunity to really take control over all aspects of the role.

Thankyou to everyone that has assisted me in this year, special mention must go to all board members but in particular Katrina Gallway who assisted me with all functions this year and to Paul Netting who assisted me with Sponsorship.

A huge thankyou to Stephen Coate and Ryan Gibson for their assistance throughout the season and thankyou to Cameron Campbell for showing faith in me to perform my role to the best level possible.

This is my final year with the football club but I've thoroughly enjoyed my 2 seasons with the club and have met some great people. Good luck to everyone in the future and I hope to sneak back over to see a game at redeveloped oval in 2013.

## Event Management

2012 was a great year for our club events, all events were well attended and enjoyed by all. The highlight for me this year was the BMFC Race Day. This is the first time we have held a race day for a number of years and it was a huge success and is something that will be continued for years to come. A number of events will slightly change in format in 2013 to keep them fresh and enjoyable but its critical that everyone supports them.

## Marketing

The marketing of the football club is something that Cameron Campbell and I have been working tirelessly on since starting with the Club in 2011. In two short seasons I firmly believe that the Football Club has become the yardstick in this area compared to other clubs and our presence on our website, social media, mailouts etc is first class.

The website will undergo some changes over the Christmas period and will be refreshed for season

2013. Thanks to Decoy Marketing's Simon Curtis for all his assistance.

## Sponsorship

This year saw a number of key sponsors not sponsor the football club, this is shown in the reduced sponsorship revenue. However we need to take into account that the KI4K fundraiser has nearly raised over \$150K and that a lot of former sponsors contributed to this. We had a number of new sponsors in 2012 including Subway, Grill'd, AMF Bowling, Rex Hotel, Belconnen Toyota, Belconnen Laundromat and McDonalds. Sponsorship is critical to the survival of any football club and we are no different. We hope to pick up a range of new sponsors for the 2013 season with a large amount of new signage opportunities available at Kippax.

Once again thankyou to everyone that has made my time with the Belconnen Magpies Football Club enjoyable and I hope to see you in the future!

# NEAFL Report

**Coach - Matthew Lokan**  
**Managers - Cheryl & Lyall Camp**

Belconnen's NEAFL side have finished the 2012 season in a very positive manner winning 4 of our last 5 games and taking our wins total to 6, 4 more than last season. Although disappointing to finish sixth and miss the finals, the fact that we played 44 players, which included six players still eligible to play U/18's, shows we have a really bright future.

The rejuvenated playing group worked really hard over the long pre season, which translated, into some good early form. Although we lost a few close games and also drew with Tuggeranong, you really could see the group had a real belief in the game plan and each other. This belief was evident later in the season when senior players Josh Hegarty and Andrew Dess returned from injury and we started to play some exciting, high risk contested football. The playing group finally got some reward for their efforts beating last year's premiers Ainslie and also Eastlake in our last month of football.

Our 2012 recruits Shane Harris, Matt Sharp and Josh Hegarty really showed why they were recruited to the club, having fantastic years and Matt Porter was back to career best form dominating the competition in the ruck. Brendan Dess was the best "shut down" player in the competition beating everyone he played on, and the "twin towers", Matt Hammond and Andrew Dess started to find the footy up forward. Another highlight of our season was Shane Harris winning the Mulrooney Medal. Shane, not big in size, kicked over 60 goals from a forward pocket and was by far the best small forward in the competition. This individual award was a great achievement in his first year in the NEAFL competition and everyone can see why he has played SANFL senior football.

Not only did our senior players have consistent years, the younger guys also showed they will have long careers at NEAFL level. 17 year old, Chris Jansen (CJ) played some exciting senior footy running from half back and Jack Baker, Lachie Harper and Jedd Clothier showed why they played state footy this year, all performing well at the highest level.

Not only did the players work hard in 2012 but we also had a lot of staff members that put in a lot of their time. I would like to thank my assistant coaches Brock Weston, John Harper, Rob Lokan, Matt Byatt, Damian Carmichael and Rod Cowie for all the support they gave the players and I over the past 12 months. As I mentioned at the best and fairest night football clubs don't run without volunteers and Belconnen has some of the best going

around. A special mention must go to Lyall and Cheryl Camp, Pete Dunn, Barry Collins, Terri Jamieson, Scott Reid, Ryan Gibson and Paul Gunn for giving up all their spare time to ensure the football club runs smoothly. Thankyou guys and everyone else that helped throughout 2012.

Finally I must mention the success of the Rising Stars and division 1 teams. Both made Grand Finals and it was fantastic to see Brendan and the U/18 boys winning on the day. Well done guys and well done to Brendan and Damian for doing a excellent job coaching these teams. Next season brings an exciting time for our football club. With the opening of the Kippax Oval and a hungry playing group ready to take our late season form into next year, I believe it will be a successful year for our NEAFL side in 2013.

Season 2012 has been a season of improvement and change for the senior playing group. Preseason started with a number of fresh faces and NEAFL coach Matthew Lokan was appointed. He made an impact immediately, making training fun and enjoyable. After a disappointing 2011 I congratulate Matt on lifting moral and belief across the playing group.

While we did not have many wins early in the year (narrowly losing a handful of games) the playing group still enjoyed their footy. Matthew brought with him professionalism that the club needed and with him signing on for another year, the future is looking bright. The club also added some players to the list which have been great value on and off the field. Special mention must be made to Shane Harris for winning the league Mulrooney Medal, a great achievement. The new players at the club have fit in perfectly and complement the current young playing group & I believe the playing group has what it takes next year to do very well in the NEAFL.

I would like to congratulate the Division 1 for making the grand final, and to the Rising Stars on winning their competition. Both teams had an excellent team and 2013 I look forward to seeing some of them making their NEAFL debut.

I would also like to thank all the players, coaches, volunteers and support staff that assist every week. The club has been strong in a difficult period and I'm thoroughly looking forward to 2013. Bring it on.

No footballer has ever played a perfect game (with perhaps the exception arguably of Haydn Bunton Jnr but that's a different story....) and no team has had a perfect season. The 2012 Division 1 team was far from perfect, but they did give the season a fair old shake, falling one game short of ultimate success, losing the Grand Final to Ainslie.

The home and away season saw the team have 14 wins and four losses, and finish as minor premiers. It was a season full of highlights including: Adam McDonald's 5 goal last quarter against Tuggeranong on Good Friday; Sam Jessup's shut down role on Daniel Campbell; Isaac Taylor and Reuben Towill's third quarter against Ainslie in round 4, Brock Weston handballing a behind against the Jets; Ben McDonald's torpedo punt at Queanbeyan; Mick Archibald lining up at centre half forward in a Grand Final; Ryan McClintock lifting up a pack on the half forward flank at Jamison; and Ryan's mark and goal late in the final quarter against Eastlake to secure a win, to mention a few. More importantly, the season was full to the brim with fine team performances.

The boys were at their best when they played for each other and as a team. It is fair to say that for most of the year the Division 1 teams lived the Vince Lombardi adage "individual commitment to a group effort is what makes a team work". This was never more evident than in the gutsy win against Queanbeyan in the wet at Jameson, the two wins against Ainslie at Ainslie Oval, the second half dismantling of Tuggeranong in Round 6 and the last quarter demolition of Queanbeyan in Round 14.

As noted above, no team is perfect and the Division 1 team this year had its moments, including a little habit of falling asleep in the first half of the third quarter which cost us dearly on a number of occasions.

But the boys did, after a strong win against Eastlake in the second semi-final, win their way through to the last day of the year. A Grand Final appearance was a just reward for the season that the team had delivered. As we all know anything can happen in a Grand Final, and even though we had finished minor premiers and fielded a strong team on the day, we simply were not good enough to get over an Ainslie team that peaked at the right time.

As I reflect of the year that was, it is not the win loss record, the goals, the kicks and handballs that I think of, rather it is the pleasure in watching the development of players such as Chris Jansen, Isaac Taylor, Sam Jessup, Dom Duncan, Mitch Mooney, and Adam McDonald to mention but a few. And it was watching the generosity of senior players such as Chris Calvert, Chris McDevitt, Andrew Gatenby and Anthony Whittard as they guided and mentored the more junior players. I reflected on what a privilege it has been to be involved with a group with such camaraderie and with the right balance of fun and serious commitment.

Australian Rules is a team sport and one of the principals that

underpinned our season was to play team first football, that said, it would be remiss of me not to mention the individual efforts of two players in Division 1, namely Ryan McClintock and Mitch Mooney. Both Ryan and Mitch have a fantastic attitude towards the game, are very "coachable", and are willing to do what is needed for the team. It is fair to say that in Round 1 both players were on the fringe of Division 1 and through the weight of their performances they finished the year the first two players selected. This was achieved through hard work and commitment and should be commended.

It is important to win football matches, but is equally important to make sure that we create an environment and a spirit that is inclusive and engenders a sense of team and a sense of community. I believe the Belconnen Football Club achieved this aim in 2012. There were 59 players who took to the ground to represent the club in Division 1 in 2012 and I believe each and every one of them acquitted themselves honourably and always represented the club to the best of their ability. This is something for us as a club to be very proud of.

On behalf of the playing group I would to thank all the support staff who work tirelessly behind the scenes to make things happen. In particular, I would like to thank Bill Viney, our team manager, Terri Jamieson, Pete Dunn, Sam Rooney, Rod Linsell and Kimberley Au.

On a personal note I would like to sincerely thank my Assistant coaches Tony Stubbs, Liam Early and Tom Alexander for their unwavering support and wise guidance. Each week I promised them that I would channel Paul Roos, and each week David Parkin, popping vein and all, would emerge, and they took it with good humour and grace!

I would also like to thank the senior coaching panel of Matt Lokan, Brock Weston, John Harper, Rod Cowie and Jacob Mennen. I was extremely fortunate to be given the opportunity to coach this year and doubly blessed to do so with such a supportive and generous group of people, who, importantly, put the club first and who all have a great sense of humour. I would also like to thank Cameron Campbell for taking a punt with me this year, for his ongoing assistance through the year and the supply of magnets.

There is no Punch without Judy, and I could not have been involved this year without the encouragement, support and understanding of Annie, Ella and George (who was not completely impressed with some of the language at quarter time speeches, but who loved the lolly bucket!).

Finally, I would like to thank every player who pulled on a Belconnen jumper this year. As I reflect on what has been a very successful year for the club the overarching feeling I have is what a terrific group of people play for the Belconnen Football Club.

I know that under the leadership of Matt Lokan and with such a great group of people, both on and off the field, the future at Belconnen is going to be a very bright one.

Firstly I would like to congratulate the playing group of the under 18's in 2012 for a fantastic job in representing your club. I think any supporters that braved the cold Canberra conditions at 9:30am, to watch your brand of football, would have taken enjoyment from each and every week that our group donned the BMFC playing strip. The reason I am confident of this is because we were rarely, if ever, beaten on endeavour. Sometimes across the year we were beaten on skill (perhaps even out coached) but for me as coach, I took as much enjoyment from watching the way this team applied themselves as I did from the ultimate result.

The year of 2012 started with a whimper rather than a bang, as weather seemed to hamper every opportunity to train with any meaning or purpose during preseason. Low numbers at training, due to mix of venues, was hard to manage. The season started with a 77 point belting at the hands of QBN and while we tried our best that day we were miles off the better teams in the comp. It exposed to me that we needed to be a lot fitter to play a game that would enable us to make the finals. Over the coming months we were able to put together some good football, while never challenging the best teams, we did start to build some mateship and a game style that made trainings enjoyable, and we started to get some miles into the legs. Towards the end of the season we started to feel more comfortable with each player playing their role, and a game plan that enabled us to contest in all areas of the game.

To put our finals campaign into perspective, no other Belconnen Magpies Football team has won a senior grade premiership coming from the 1<sup>st</sup> semi final (3<sup>rd</sup> versus 4<sup>th</sup>). Across over 40 years of football at BMFC this team has achieved what no other Belconnen team has done before it, to win 3 straight sudden death finals is a credit to these guys. In the grand final, if we are honest with ourselves, we were totally outplayed for a half of football, but as the details below suggest your ability to work your way into the contest, your self-belief and determination were so compelling it enabled you to pick each other up and drag yourselves across the line. I hope these attributes and self belief carries you forward with your football & life.

	1QG	2QG	3QG	4QG
<b>Eastlake:</b>	2.3:15	4.3:27	5.4: 34	6.5:41
<b>BELCONNEN:</b>	0.0:0	1.1: 7	3.3: 21	9.5:59

What is also notable is that no team member scored higher than 11 votes in the league medal. This probably indicates the evenness of our playing group and everybody's ability to contribute across the year. From our playing list this year we had Jack Steele, Logan Austin, Rhys Healy, Isaac Taylor, Alexander Jones, Aidan Pini and Ben McCabe that played division 1 or NEAFL which is a great achievement in itself. Well done also to Aidan Pini who represented BMFC in the AFL Canberra senior representative team. This is an amazing achievement from the under 18 grade competition.

A big thankyou to Shane Wharton who attended every training session, rain hail or shine to prepare the footballs and even assist on the ruck bag during some drills. Shane also relayed the messages on the phones on game day, and all the boys enjoyed him being around.

Terri Jamieson, who was the only trainer available at our 4:45pm starts, all the playing group and I thank you for your efforts across the year. To all of the other trainers that assisted on game days, thank you. To my mates that jumped in and assisted me with trainings when I couldn't attend or when I required specific skills (that I don't have) delivered. Paul Netting, Steve Mahar, Rod Cowie thank you for helping out when required.

To Rob Kelly you did a great job managing the team, you made my life easy throughout the year and offered support at any time it was required. I enjoyed our lengthy chats and your thoughts on football. Thanks to Lyall and his team of management also for your assistance across the year.

Andrew Smith and Noah Smith plus Michael Wenke offered their time every weekend to run messages and to support the team generally, your efforts across the year were amazing. To have such knowledgeable people running messages makes a coach's life easy.

To Colin Mues, whom I hadn't met until he jumped in as assistant coach, thank you from me and all of the boys for coming on board. You have an excellent football brain and it would be wasted if you were not involved in some way into the future. Thanks for keeping me positive when the alternative was easier! Thankyou to senior coach Matt Lokan, Damien Carmichael and your trusty band of assistants for all of the support across the year. Also to Cameron Campbell and the football department thank you for the year.

Thanks also to my wife Vickie and 2 daughters Frankie and Ronni. You guys never make me feel guilty for all the afternoons I am away and to come home to smiles and warm meals makes football easy.

To Daryl Read, and your football committee of the Belconnen Magpies Football Club I would like to thank you for the opportunity to coach in 2012 and to apply myself to a task that I garnered huge enjoyment from throughout the year. Even if the under 18's were not a success on grand final day I would have taken from this year much enjoyment and what I consider a re-balancing of my enjoyment for football and this great club. For me to see a great bunch of young men express themselves each weekend on the football field, fully supported by a fantastic group of parents, reminded me what football meant to me as a young man. It reminded me of what this club has given me over the past 20 years, and hopefully I can take some enjoyment into the future as we watch the players represent us on weekends in the higher grades.

No person whom has given their all has regretted it!

Season 2012 presented plenty of challenges for the Belconnen Canberra District teams. With the ongoing development of the Kippax playing fields, the 2s, 3s and Women's teams were forced away and onto the playing field in Giralang. With a small ground and three teams training on it at the same time, everyone was required to work closely together so that we could all get as much as possible out of what we had.

The season started off very positively with everyone excited about what the season held for us all. With an abundance of both new players and returning players, the preseason was fantastic with between 40-60 players at training every night. This presented a challenge to the coaching staff in tailoring a preseason program that would satisfy such a large discrepancy in players skill levels and knowledge of the game.

A tough preseason finally came to an end when the 2's took on Murrumbidgee in Round 1. With a new game plan and plenty of new faces we took a while to get going in the first few games, but still had what it took to get the wins required.

It wasn't until Round 5 vs Ainslie that we got our first wake up call. Even with a number of great individual performances, the team got taught a lesson in work rate and accountability, losing our first game to Ainslie in longer than anyone could remember. We bounced back nicely the following week, rectifying our previous week's mistakes and overpowering a determined Eastlake team. But the real eye opener came a week later when we were beaten in every department by a ruthless ADFA unit, going down by 100+ points.

After some deep soul searching and some adjustments from the coaching group, the team was able to bounce back the following week by defeating the previously undefeated ANU in the pouring rain. This win set us on a seven game winning streak giving us every chance to finish in the top two and firmly planting our eyes on the premiership cup. However it wasn't to be. In the return game against ADFA, despite a much improved performance, we couldn't match them for the four quarters and another loss eventuated.

This resulted in us needing to beat ANU the following week to give us any chance of finishing second. After another gallant effort we were still unable to get the points and any chance of a top two finish was over.

The home and away rounds finished poorly with three consecutive losses finishing off the season. Regardless, we had earned a berth in the finals. In the first semi final against Ainslie we continued our poor form of the previous three

restructuring we came out after the break and played arguably our best football of the season turning a ten point deficit into a 50 point win in less than a half of football.

This game gave the team enormous confidence and we had our eyes set on a solid ANU outfit for a playoff in the grand final. It wasn't to be however, with ANU being too strong across the four quarters and never giving us a chance to find any momentum.

Regardless of not achieving our goal of reaching the grand final we still had a fantastic season with plenty of things to be positive about, which we can take into season 2013. Within the two grades we managed to reward 87 players with games, which was a terrific effort by both the coaching staff and also the playing group for being so understanding of the unique situation we were in as a club.

I believe as a club, we came a long way this season with some drastic changes being made in the way everyone went about their football. I hope the players and future coaches continue to push down this path of increased commitment and professionalism and continue the hard work that everyone has pushed through this season.

Finally this season wouldn't be possible without the help of so many volunteers. A massive thank you goes to James Mueller who jumped on board late in preseason and put his hand up to be the team manager for the season. Despite never playing the game before, James' commitment was unquestionable and the team couldn't have functioned without him.

To the leadership group and coaches - thank you for your time and efforts throughout the season. Our achievements this season wouldn't have been possible if you didn't commit to the new directions and didn't put the extra time in to get the results. And a special thank you to Turtle who gave the coaching staff a massive hand in the second half of the year.

To all the players - thank you for your commitment throughout the season, especially to all those that volunteered to help out in one way or another. All the helping hands off the playing field ensured that proceedings ran smoothly on it and gave the players every chance to succeed.

Thanks to Macca and the Women's team for your cooperation throughout the season. It was difficult for us all during the season with the lack of space for training, but at all times we worked together as well as anyone could have and without any complaints from anyone. Last but not least I'd like to thank Cam and the board for giving me the opportunity to coach the 2s this season. I thoroughly enjoyed the season and the challenges that it presented.

**Manager - Sam Jarvie**

I would like to thank the board for giving me the opportunity to take the reins of Division 3 for 2012. I have played and helped out with Div 3/4<sup>th</sup> grade team since 2002 and I wanted to give something back to the club I love. I had strong opinions on how to tackle the season and was thankful for the chance to prove myself. Through the support of a fantastic playing group, the season has been a lot of fun which culminated in a grand final appearance.

After last season failing to make the finals, the Div 3 players wanted to be the presence it once was. The 2012 season's resurgence all started at the 2011 presentation night where the brains-trust in myself, Puddles, Rory, Knighty and Skip got together to hatch out a plan to return back to the finals and win the competition. After quite a few beers, the one thing that we all decided was the fact that we needed a non-playing coach at the helm. The other two things decided was the fact that we needed both an injection of youth and the return of some experience former players back in the team to bolster the player stocks. I would like to say that we achieved all this and more as Div2/3 training sessions saw a record 110 players participate in preseason training.

With huge numbers turning up, it was important to establish a set of rules of selection to make sure everyone got a fair go. Through the selection committee in myself, Rory Markham, Stuart Dunn, Jacob Mennen, Mark Braybrook, Michael Coate and Tom Fisher, we were able to turnover 63 players during the season through the introduction of a criteria that would best try and satisfy the reasoning behind selection of the team each week. At season's start, each player was rewarded for their efforts in preseason training while late comers understood they needed to work hard for selection. Selection was not always about picking the best side based on reputation but rewarding those who had worked the hardest. The one thing that was evident each week was that every player deserved their spot.

Often myself and the selection committee erred on the side of caution when picking players with certain niggles. Not only were we always confident we had the team to win each week no matter who our playing personnel, but was always had our eye on the end game (finals). In saying that, throughout the season, I could never fault each player's enthusiasm whether they were regular districts players, first gamers and both players who were either demoted or returning from injury from higher grades. The selection criteria changed towards the latter end of the season as we started to focus on giving every player the opportunity to make their case to play in the finals. On the players, I could write a book of all the good things I would like to say about each player but I have a couple of highlights that I thought typified Division 3 footy:

Luke Allen and Harry Hutchison's BOG efforts in their only appearances in Division 3. As div 1 players, they could've just got upset about being asked to come back through Div 3 but their attitude and humility to just getting on with the job is what is needed more in this club.

Jace Iemma's positive on-field leadership each game he played after being dropped from Div 2. He was a delight to coach.

Alex Muir's effort, for a player who had never played footy before, receiving his first jumper in the first game of the season after being rewarded for strong preseason effort.

Gav McKinnion's battle back from knee injury and Josh Avila's gutsy performance with busted ribs to play in the last game of the regular season to make their case to play finals footy. It showed the guts and determination to play finals footy. It was just unfortunate that it didn't pan out to a finals appearance.

Finally, to each of the 10 players who missed out on the grand final team who all turned up and supported the boys playing. I know how disappointed each player was but to suck it up and help out, it will be forever appreciated.

I was proud of four things in particular during the year, first was our team's never give up attitude even when things looked grim. The grand final was perfect evidence of that. We fought right to the final whistle. The second was our discipline and how we were very controlled in handling decisions that went against us. The third was the fact that we played 22 players in every game this season which meant I didn't ever even hint at putting on a pair of boots to play. The last was the way most of the players handled being left out of the team for that week. It was never easy telling anywhere up to 15 players each week that they were not required but most often players handled it with grace.

On the season itself, obviously the highlight and lowlight of the year was the grand final where the boys played a cracker of a game only to fall two points shy of a flag. It was a fantastic effort that was only achieved through a lot of hard work by all involved with the playing group. We also had a number of milestone games which got us to the GF. Our win over Goulburn (R2) when we announced to the competition that we were a genuine threat to every side in the comp, our 7 goal win over a resurgent Jets side in Round 4, the Bubba and Puddles show against Ainslie Round 6, the big win over ANU Round 9, the 8 goal win over Cootamundra, a win in Goulburn for the first time since 2006 and the win over Yass by two points in final game of the regular season. Also Ben Sainsbury and Scott Reaper's performance in the major semi against ADFA was also sublime.

I would like to thank both Rory Markham (assistant coach) and Stuart 'Skip' Dunn (captain) for their great support in selection headaches and helping out at training when I was unable to make training for personal reasons. I would like to thank Sam Jarvie for her help as the manager of the team. She helped keep me sane before each game with her support. I would like to thank Jacob Mennen for taking the majority of the training sessions and getting the players skills up to standards. I would also like to thank Ash Davey for being our club umpire for a majority of the year.

I would especially like to thank all the game day volunteers we had during the year who consisted of players who missed out on games during the season. We never had a shortage of players willing to help out the team. There are too many to mention but you know who you are and support is what makes this club great.

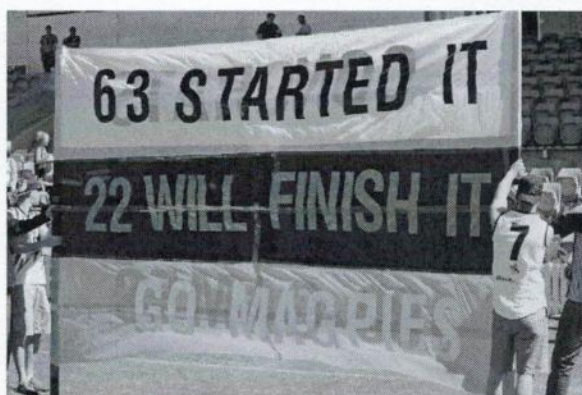

It was a great season that nearly exceeded expectations. Maybe next year we will go that one step further.

# Women's Report

**Coach - Paul McCaskill**  
**Manager - Leanne MacPherson**

The season began fantastically for the women, with pre season commencing mid January. The team this year consisted of 18 players from 2011 and 16 new players, a new manager, new volunteers and myself as a new coach. Elise O'Dea was named Captain and Ruth Bradbury as Vice Captain.

Thirteen players in the Women's side attended the first Magpies club event, which was the pre-season training camp in Pambula NSW. This was a great opportunity for old and new players to get amongst some senior players for bonding and training purposes.

Pre season lasted for 3 solid months with the first game not played until mid to late April. Unfortunately, the practice game that had been organised was cancelled due to the Balmain side not being able to field a team. A pre-season bonding trip was also cancelled due to poor weather. We therefore had to play our first game of the season without a match under our belt and half the players of the side were 1<sup>st</sup> year players. We played a 2011 top four side, Tuggeranong, and ended up beating them by four points. This was enough to boost morale and show that we were in for a good year. We did however, lose our Vice Captain Ruth for 10 weeks due to an injury sustained during this match.

We followed up our 1<sup>st</sup> game with another win against Queanbeyan, but then lost 3 games in a row, to the top sides, Ainslie, Gungahlin and Eastlake, although all by narrow margins. At this point, the new players were starting to find their feet and the whole side were starting to gel. The following 2 games were evidence of this, with big wins against ANU and ADFA. We completed the first half of the season with an overnight road trip to play Riverina in Wagga. Unfortunately, we were beaten on the day, but Riverina were only able to kick 3 goals against us.

Mid season we had a total of 4 wins and 4 losses. At this stage of the season, we lost a few players to injury and overseas trips, although we did gain a couple of strong players in Jaylene Chevalier from the NT and Genevieve Netting, returning from her honeymoon.

The second half of the season we won 5 more games and had 3 losses. One of the highlights was coming back from a loss to Tuggeranong to beat the 2 top sides at the time, Ainslie and the Jets. This placed us in the top four with a good chance of making the finals.

Coming into our last game of the season we had to beat the top side Riverina to make the finals. We were tied in 4<sup>th</sup> place with Tuggeranong and Gungahlin. We had a superior percentage then both these sides. We were fit, strong and

united in our will to win that game, but unfortunately the pressure appeared to overwhelm us, as a young and developing side, and we were 47 points behind at half time. In the sheds at half time we spoke of how much fun the year had been and how hard everyone had worked through to this point, and came out in the second half to outscore Riverina by 6 goals. Unfortunately though we lost the match by 14 points.

Overall the number of wins was 9 games to 7 losses. We were the highest scoring side in the league. Our leading goal kicker was Kate Chapman with 31 goals, coming 4<sup>th</sup> overall in the league. We had a good spread of other goal kickers in our forwards and mid fielders.

Throughout the season a number of significant events occurred. Three women, Katrina Galloway, Elise O'Dea and Genevieve Netting all achieved their 100 games milestone. Each of these matches were celebrated with wins. Heather Anderson and Sophie O'Dea represented the ACT/ NSW Youth Girls Squad and played for the state in SA. Heather and Elise attended an AFL Development Program in Victoria for the best women players in Australia. And a fantastic accolade for Elise O'Dea, who was voted the Best & Fairest player in the Womens competition 2012.

I would like to thank my partner Leanne MacPherson for managing the team and keeping me on my toes. Huge thanks to Lisa Borthwick and Darren Cooper for their consistent help and support throughout the season. Also, thanks to Jacob Mennen, Hoppo, Lavo, Jordan and Lance for umpiring our games, sometimes with little notice. I would like to also mention Lisa Bell, Lauren Anderson, Margo, Chad and the Magpies Trainers for all their effort.

# Magpies Juniors Report

In 2012 the Magpies Juniors fielded teams in every age group from U8s to U12s and, in conjunction with the Belconnen Cats Junior Football Club, entered teams in the U14 and the U16 competition. We had 51 new players join our ranks this season and it was good to see a few familiar faces returning after a year or two off. Also, the Magpies Juniors continue to enjoy good retention rates.

We had another strong year in Auskick Rookie this year. I would like to thank Sonja, Ben, Toni, Janine and Julian for getting out on the Sunday morning to run a great program. In Auskick Pro (U8s and U9s) the Magpies ran four teams, two teams in each age group. Auskick Pro can be as much of a learning experience for the coaches and I believe that they enjoyed the season almost as much as the children. Thank you to Stuart, Kim, Sean, Rob, Anthony, Phil, Craig and Shelley.

The U10, U11 and U12 age groups are periods of great development, particularly for the U12s with their first year of competitive football. Many in the U10 team backed up during the year in the U11s to help them out. I would like to thank Tim, Emma, Mark Pocock, Nicole, Daniel, Rickie, Paddy and Matt for leading these children through the season.

In the U14s we had three combined Magpies/Cats teams. The competition structure and how some clubs used it was not kind to our two Division 2 teams. However, both went through the season with great tenacity, often unrewarded on the scoreboard. As a spectator I was very proud of your efforts.

The U14s Division 1 team made the Grand Final, but were beaten by a team that would have held their own in a higher age group. Well done in making it to Manuka.

Congratulations must also go to Steve, Jamie, Kirsty, Kidders, Stuart R, Jason, Richard, Stuart M and Michael for making it happen.

In conjunction with the Cats we fielded two U16s teams this year. The U16 Div 2 team just missed out on finals while the U16 Div 1 team made it through to the

Prelim final, losing by only 4 points in a spirited game. I thank Steve, Julie, Bernie and Michael for their efforts.

Congratulations to all those that were selected in representative squads this year. Well done to Joey for a third place in the U14 Div 1 League vote count. Congratulations also to Greg for taking home the AFL Canberra Volunteer of the year award.

To our sponsors, Magpies the Sports Club, Monaro Screens, Taylors Real Estate, Ginninderra Tavern, Canberra and Region Assessing Services, Bonza Bangers and Capital Trophies & Sportswear. Also, thank you to McDonanld's, for game day awards, and all the local businesses that supported our Trivia Night.

Thanks also must go to our volunteers that manned the canteens and helped out at Woollies and Bunning's BBQs. Of course I can't forget Norm for his efforts in ensuring the Kippax had the best marked ovals in the league; and Ian and Paul for your assistance with canteens, Sports Club raffles and other fundraisers.

To all of our parents, carers and supporters, thank you for ensuring the children made it to and from very cold training nights and not much warmer game days. Your assistance on game day is also much appreciated and helped make 2012 another enjoyable season.

Several challenges await us in 2013 and beyond with a significant change to the competition age structure, new funding arrangements and a continued shortage of training facilities as a result of the Kippax redevelopment.

Finally, I would like to thank the hard working Committee. Again in 2012 our Committee resources were stretched due to lack of numbers. I hope to see many new faces at the AGM this year to help lighten the load and ensure a smooth transition as some of our long standing members step back a bit. Several on the Committee have served for many years, two serving the club for more 12 and 17 years respectively. The Committee roles are not demanding if we have the numbers. Let's all work together to ensure YOUR club remains strong and meets the needs of YOUR children for years to come.

# Belconnen Cats Report

The 2012 season has come to an end and it seems like an eternity since we were all trudging out on a Saturday morning to frosty windswept fields around Canberra. It seems like an age until footy will start again, but we are already planning next year for our kids.

2012 was a good year for the Club, both on and off the field. On the field we made a Grand final in the Under 14/1s competition and a preliminary final in the 16/1s. Both these sides were joint teams with the Magpies and the success they enjoyed was a direct result of the commitment and cooperation of the junior clubs to the joint venture idea.

Our Under 14/2 and 16/2 sides, which were also joint sides, had mixed success but will be much better placed for the next season.

Our Under 12/2 side had a very tough year. They were a very young side and struggled throughout the year, but no one could question their endeavour and never say die attitude. They also will gain a massive benefit from playing up next year.

The non-competitive age groups, 8s 9s & 10s, all had good years with good numbers each week, and with the numbers coming out of Auskick Rookie, the future of the club looks assured.

Off the field was also successful. I would like to thank our major sponsor The Canberra Labor Club for their continued support. We also welcomed IMB as a new sponsor and again acknowledge the invaluable support of the Magpies Senior Club.

Finally, I would like to thank my very hardworking committee and all the coaches and managers who turn up each week and make it all happen.

# Club Matches

Players who have over the years achieved 100 games in NEAFL, Division 1, Division 2, Division 3 or Women's are awarded a pewter. The pewter is struck at the end of the season in which a player reaches the milestone, and is presented to him or her at the annual 100 Game Dinner. Belconnen tradition demands that members of the 100 Club gather at the function, ceremoniously open the cabinet where the pewters are kept, and drink a toast to welcome the newcomers. In 2012, there were nine current player inductees; Simon Curtis, Ryan Turnbull, Anthony Whittard, Andrew Gatenby, Michael Coate, Sean Egan, Katrina Gallway, Elise O'Dea and Genevieve Bond (Netting). Congratulations to all.
